Best Hyaluronic Acid with Chondroitin Sulfate contains patented BioCell Collagen II® (US patents 6,025,327; 6,323,319; 6,780,841, 7,091,180; 7,799,348). It is sourced from chicken sternal cartilage and provides bioavailable, low molecular weight hyaluronic acid. It is standardized to contain 10% Hyaluronic Acid, 20% Chondroitin Sulfate, and 60% Collagen Type II.

Hyaluronic Acid and Collagen are vital structural components of skin that decline as we age, and are partly responsible for the skin's moisture, suppleness and elasticity. BioCell Collagen II® contains key components that can help support healthy skin and joint function.*

BioCell Collagen II® is a registered trademark of BioCell Technology LLC.
