

Grape Seed Antioxidant is more absorbable than non-Phytosome™ extracts, thanks to a special, proprietary Phytosome process that promotes targeted delivery to cells and dramatically increases absorbability in the body.*

Grape Seed Antioxidant promotes healthy aging and supports healthy vein and capillary structure.*

Same great formula, now in tablet form.

Recommendations: One tablet three times daily.

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.

ETI is an FDA-registered Drug Establishment.
