inulin (from chicory root), and silicon dioxide.

MANUFACTURED EXCLUSIVELY FOR ENZYMATIC THERAPY, INC.,
GREEN BAY, WI 54311 USA enzy.com • 1.800.783.2286

Caution: While **Gluten Defense™** will reduce the level of reactive
gladin and gluten proteins in a meal, it is advised that celiac disease
sufferers continue with their normal gluten exclusion diet as even
small amounts of gliadin can cause adverse reactions in the most
sensitized individuals. If pregnant, nursing, or taking prescription
drugs, consult your healthcare practitioner prior to use.

Recommendations: Two capsules with each meal or as directed by
your healthcare practitioner.
