

We believe that **Amazing Nutrition**™ is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

As an essential body mineral, **Amazing Formulas™ Iron** supports hemoglobin and myoglobin formation. Hemoglobin carries oxygen through your blood to tissues and organs, supporting healthy brain function, immune function and overall well-being.\* Myoglobin helps your muscle cells store oxygen, which is vital for healthy muscle function.\* Iron deficiency causes anemia (a lack of red blood cells), often resulting in severe fatigue and related health ailments.\*
