

We believe that **Amazing Nutrition**® is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

Folic Acid, also known as 'folate' is a vitamin of the B complex, found especially in leafy green vegetables, liver, and kidneys. Folic Acid plays an important role in the synthesis of several types of amino acids.* It may assist the body in producing red blood cells and may help to prevent anemia.* Folic Acid plays a vital role in energy production and supports healthy immune function.*
