

We believe that Amazing Nutrition™ is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

Forskolin is an extract from the plant *Coleus forskohlii*. Forskolin supports cardiovascular health, immune health and respiratory health. * Forskolin works on the muscles in the heart and in the walls of the blood vessels to support normal heart rate and relaxation of the arteries. * Forskolin also supports healthy weight management as it may stimulate lipolysis (breaking down of fats) in fat cells, promote healthy metabolism and suppress appetite. *
