

What am I?

I'm the crème de la crème of probiotics! I contain 11 different probiotic strains, 52 billion probiotics per serving, and organic inulin (a prebiotic) that acts as fuel for my probiotics[†]. Being high potency doesn't mean I'm high maintenance: I don't need to be refrigerated and I'm gluten, dairy, soy and drama-free. If you're serious about getting your gut health back on 'tract', I'm the probiotic for you.

How can I help?

I provide a rapid replenishment of probiotics to your gut which can help support both digestive and immune health[†]. My wide range of probiotic strains can help promote microbiome diversity[†] so you can sit back, relax, and get back to trusting your gut!

Trust your gut.
