

Cholesterolade® contains Soluble Acacia Fiber which is an excellent source of dietary fiber. Each serving provides 7 grams of 30-35 grams of daily recommended fiber by the Academy of Nutrition and Dietetics to promote good digestion and GI tract health.

Cholesterolade also:
Supports Digestive Health
 † Promotes pro biotic function helping overall gut health
 † Helps curb appetite safely promoting weight management
 † Helps aid digestion
 † Easily dissolves in liquids

Cholesterolade® does not contain:
 • Preservatives
 • Artificial Ingredients
 • Gluten

(These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.)

High fiber foods are good for your health. But adding too much fiber too quickly can promote intestinal gas, abdominal bloating and cramping. Increase fiber in your diet gradually over a period of a few weeks. This allows the natural bacteria in your digestive system to adjust to the change.

Cholesterolade®
 was created by the late
Dr. J. Robert Cade,
 the inventor of
Gatorade®.

Gatorade® is a registered trademark of Sackley-Van Camp, Inc. ©2013 FNC HEALTH, INC. It is not affiliated with Gatorade® or Sackley-Van Camp, Inc.
