

We believe that **Amazing Nutrition®** is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

L-Arginine is a necessary amino acid for the body to make proteins. L-Arginine is found in red meat, poultry, fish, and dairy products. Once consumed, L-Arginine changes into nitric oxide.* Nitric oxide is a powerful neurotransmitter that may help blood vessels relax, improving circulation.* It may support cardiovascular health by improving blood flow in the arteries of the heart.* L-Arginine helps the body get rid of waste, supporting healthy kidney function, immune function, and repair.*
