

Believe that Amazing Nutrition™ is the key for Healthy Living. We are passionate about bringing you the finest selection of products which can perfectly complement a healthy diet and active lifestyle.

L-Proline is an amino acid that is essential for the synthesis of collagen.* Collagen is the main structural protein that constitutes all human connective tissues, including skin, tendons, ligaments, joints, bone, veins and arteries.* L-Proline therefore provides the building blocks that help to stabilize and strengthen the structural components of the body.*
