

GS-750™ dietary supplement is the same great product as our original GS-500™, but more convenient—you need only two tablets per day.

Glucosamine sulfate is up to 90% absorbable, which makes it readily available to the body to support healthy articular cartilage.* Clinical studies show it's a key building block for connective tissue and cartilage.*

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.

ETI is an FDA-registered Drug Establishment.

Contains no sugar, yeast, wheat, gluten, corn, dairy products, artificial coloring, artificial flavoring, or preservatives. This product contains natural ingredients; color variations are normal.

THIS STATEMENT HAS NOT BEEN EVALUATED BY THE FOOD AND DRUG ADMINISTRATION. THIS PRODUCT IS NOT INTENDED TO DIAGNOSE, TREAT, CURE, OR PREVENT ANY DISEASE.
