Get Acquainted with
your Good Cholesterol!

Dennis Goodman, M.D., F.A.C.C.—Chief of Cardiology and Medical Director of the Cardiac Treatment Center at Scripps Memorial Hospital (2002-2005) developed HDL Booster as a way for his patients to increase their good cholesterol (HDL) naturally.*

In addition to improving good cholesterol,* HDL Booster supplement also:

- Provides powerful antioxidant protection*
- Helps restore the CoQ10 depleted by cholesterol medications like Zocor®, Mevacor®, and Lipitor®†

Do you know your HDL?

To keep your heart healthy, the American Heart Association® recommends:

- HDL levels above 40 (above 60 is optimal)
- LDL levels between 100 and 160
- Total cholesterol (HDL and LDL) under 200

Give your heart health a boost with HDL Booster!*

HDL BOOSTER®

With Good
Cholesterol
Comes Good
Heart Health!*

HDL BOOSTER®

**Clinically studied HDL
Booster®* supports a healthy heart by:**

- Increasing good cholesterol (HDL) levels*
- Reducing homocysteine and hsCRP levels which are important to heart health*
- Supporting healthy blood circulation*

HDL Booster Raises Good Cholesterol Naturally!*

The American Heart Association® has recognized HDL as one of six independent factors that can positively impact heart health!*. Even a 1% increase in HDL can make a significant difference.* In a clinical study approved by the Scripps Independent Review Board, HDL Booster increased good cholesterol levels up to 23% after 6 months of use.*
