

Sit Comfortably with Hem-Care™

There are a number of factors—including genetics, age, diet, and inactivity—that impact rectal health. Hem-Care dietary supplement proactively supports the body's own anti-inflammatory response and helps maintain healthy veins, especially those in areas subject to strain.* By supporting your blood vessels and balancing healthy blood flow to the rectum, Hem-Care promotes healthy rectal tissue so you can sit more comfortably.*

Our glycosaminoglycans (GAGs) are a mixture of highly purified compounds such as dermatan sulfate, heparan sulfate, hyaluronic acid, chondroitin sulfate, and related hexosaminoglycans.

Recommendations: Two capsules once or twice daily.

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.

Contains no sugar, salt, yeast, wheat, gluten, corn, dairy products, artificial flavoring, or preservatives. All colors used are from natural sources.
