

## Complete H<sub>2</sub>O Minerals

This special blend of very important minerals will offer support to many of the Body's systems, including the immune system.

Our Complete Essentials mineral water is a unique blend of 10 essential trace minerals. In combination with our Calcium-Magnesium mineral water, and our Potassium-Zinc mineral water gives you a well balanced mineral supplement. With our special breakdown process all of our minerals have a very high absorption rate not just in the blood stream but all the ways down to the inter cellular part of the cells.

In processing, FDA & GMP guidelines are observed and strictly followed.

**Mixing Instructions:** Mix with 8 to 10 ounces of juice or water.

**Disclaimer:** These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, prevent or cure any disease.
