

Suggested Usage: Take 1 softgel daily with a fat-containing meal.

NOW® Macular Vision features XanthoSight®, an ingredient consisting of lutein, zeaxanthin, and meso-zeaxanthin in ratios that have been clinically tested and found to promote optimal eye health, visual performance, and cognitive function.* Carotenoids such as lutein, zeaxanthin, and meso-zeaxanthin, are concentrated in the macula, an area of the eye responsible for focus and color differentiation.* In the macula, these pigments act as a filter for cell-damaging blue light.* Meso-zeaxanthin is concentrated in the central region of the macula responsible for detailed central vision.* Unlike lutein and zeaxanthin, meso-zeaxanthin is not obtained through the diet or available in most eye support products. To enhance bioavailability, XanthoSight® has been formulated with fish oil.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Natural color variation may occur in this product.

Store in a cool, dry place after opening.
