

SUGGESTED USE: As a dietary supplement for healthy adults, once per day. Mix one (1) scoop (11g) into you favorite beverage and mix thoroughly.

For best results, Vimerson Health products should be used alongside a healthy diet and regular exercise.

CAUTION: Do not exceed recommended dose. Always consult your healthcare professional before taking this or any dietary supplement, especially if you are under 18, pregnant and/or a nursing mother. You should also consult a professional if you are taking medications or if you have an existing medical condition. Discontinue use and consult your doctor if adverse reaction occurs. Remember that you should not take supplements as a substitute for a varied balanced diet or healthy lifestyle.

NOTE: ^11 grams per scoop is an average. Individual scooping technique may yield slightly less or slightly more than 11 grams. This product is packaged by weight, not by volume. Settling of contents occurs over time and cannot be avoided.
