

Oxydrene[®]

NAD⁺ Enhancer

Clinically Validated to
Increase VO₂ Max!!!

- INCREASES NAD⁺ LEVELS*
- INCREASES VO₂ MAX*
- OPTIMIZES SYSTEMIC OXYGEN UTILIZATION*
- INCREASES ENERGY*
- INCREASES ENDURANCE*
- SUPPORTS CARDIOVASCULAR HEALTH*

DIETARY SUPPLEMENT

120 Capsules

Novex Biotech.

VEGAN FRIENDLY

CAFFEINE-FREE

LAB TESTED

GLUTEN-FREE

NO ARTIFICIAL DYES

GMP (GOOD MANUFACTURING PRACTICE)

DAIRY-FREE

NON-GMO

NOTE: If you are an athlete competing under International Olympic Committee (IOC) or World Anti-Doping Agency (WADA) rules, it should be noted that the IOC and WADA have banned any substance that artificially enhances the uptake, transport, or delivery of oxygen. Because this ban might include Oxydrene NAD⁺ Enhancer (due to its ability to increase oxygen uptake at peak exercise levels), competitive athletes should check with their trainers and governing bodies before using Oxydrene NAD⁺ Enhancer in organized athletic competition.

Manufactured for:
Novex Biotech[®] LLC,
Salt Lake City, UT 84116

Oxydrene[®]

NAD⁺ Enhancer

ARE YOU READY TO GO TO THE NEXT LEVEL?

A key ingredient in Oxydrene NAD⁺ Enhancer has shown a 30% increase in NAD⁺ (nicotinamide adenine dinucleotide) levels within 60 minutes of ingestion.*

Why is NAD⁺ important? It's a cellular energy shuttle found in all living cells that essentially allows the body to generate cellular energy and disperse it throughout depleted cells. But as we age, our NAD⁺ levels start to decline.

NAD⁺ is becoming widely recognized for its anti-aging benefits and can help avoid the degenerative processes associated with aging. It helps increase energy, reduce fatigue, and support metabolism and cardiovascular health, as well as improve cellular function.*

So whether you're a weekend warrior, an elite athlete, or someone who simply wants increased endurance and better performance, taking Oxydrene NAD⁺ Enhancer one hour prior to your workout can help you push yourself to the next level.

Novex Biotech.

Supplement Facts

Serving Size 2 Vegetable Capsules
Servings Per Container 60

	Amount Per Serving	% Daily Value
Niacin (as nicotinamide)	500 mg	3125%
