

**\*\*HexaNiacin™** inositol hexaniacinate provides niacin, an essential vitamin. Unlike other forms of niacin which may cause side effects such as temporary flushing, itching, and skin reddening, HexaNiacin is a superior, non-flushing form of niacin that has been widely used in Europe for over 30 years.

**Recommendations:** One capsule three times daily with meals.

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.
