

MM6TM FOR MEN

Premium Dietary Supplement 6-in-1 Complete Nutritional System

30 DAILY PACKETS

NUGEVITY

MM6TM FOR MEN

MM6TM products offer personalized nutrition for all your individual needs. Each packet of MM6TM FOR MEN can replace your entire supplement cabinet because it is custom-formulated with today's adult gentleman in mind. Feel young, stay young, and trust the brand that doctors trust: MM6TM by Nugevity.

MM6TM is manufactured at an FDA-registered laboratory using Pharma-IQ[™] quality standards and BioRelease[™], our exclusive technology developed under a Space Act Agreement to ensure maximum dissolution and nutrient release. Learn more at NASA SPINOFF or visit nasa.nugevity.com

Suggested Use: As a dietary supplement, adults take the contents of one daily packet every day with a full glass of water, preferably with a meal or as recommended by a healthcare provider. Though tablets are meant to be taken all together at once, if stomach upset occurs you may split the dose and take some in the morning, then the remaining tablets in the afternoon or evening.

Store product in a dry place at controlled room temperature (25°C / 77°F). Do not expose to excessive heat or moisture. Contains no artificial colorings or dyes. Therefore, color, odor and texture variations may occur, but rest assured this does not affect the quality of the product.

Caution: Consult with your physician prior to taking any dietary supplement if you suffer from a known health condition or take prescription medications. California residents only (proposition 65 statutory statement for consumer products): WARNING: This product may contain a chemical known to the State of California to cause birth defects or other reproductive harm. Women should not take this product.

MM6TM FOR MEN

six key benefits in one convenient daily packet

Complete Multivitamin*

Age-Defying Antioxidants*

Omega-3 Support*

Liver Support*

Cardio Health*

Male Function*
(prostate, stamina, urinary health)

Each MM6[™] FOR MEN daily packet contains:

- **Two AS 10[®] LIFE tablets (red):** Co-developed with NASA under a Space Act Agreement, this is the most advanced multivitamin in the world. Beyond "A-to-Z" nutrition, AS 10[®] LIFE features a proprietary formula to fight against the signs of aging such as visual and cognitive decline. Added B-complex provides stress support and protects the heart by keeping normal homocysteine levels within range.*
- **Two Men's Formula tablets (blue):** A blend of extracts and micronutrients that promotes normal genito-urinary function, prostate health, and physical endurance. This powerful tablet also contains natural ingredients known to protect and cleanse the liver.*
- **One Omega Max softgel (clear):** This high-potency source of omega-3 fatty acids has been molecularly distilled and purified to remove contaminants typically found in fish, such as dioxin and mercury. Its unique BioRelease[™] Triglyceride form provides superior absorption versus other conventional fish oil omega-3 capsules. Clinical evidence suggests that EPA and DHA (the active compounds found in Omega Max) promote cardiovascular, neurological and immune benefits.*
