

This professional-grade product contains proprietary technologies developed under a US Space Act Agreement to ensure quality and superior bioavailability. Learn more at nasa.nugevity.com

Suggested use: Take three (3) softgels daily, preferably with a meal or as recommended by an eye care professional.

Store product in a dry place at controlled room temperature (77° F). Keep away from children.

Doctor-recommended OS² was formulated by a team of leading scientists and ophthalmologists to provide the ultimate Ocular Support Solution*. It is based on the latest eye health research, including technology co-developed with NASA. And like all Nugevity products, it is ethically manufactured and tested at an FDA-registered facility.
