Serving Size: 2 Tablets  
Servings Per Container: 30

|                                                                                                                                                                                                                      | Amount Per Serving | % DV* |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|-------|
| Selenium (as L-Selenomethionine)                                                                                                                                                                                     | 100 mcg            | 143%  |
| Copper (as Copper Gluconate)                                                                                                                                                                                         | 2 mg               | 100%  |
| Manganese (as Manganese Gluconate)                                                                                                                                                                                   | 4 mg               | 200%  |
| Chromium (as Chromium Dinicotinate Glycinate)                                                                                                                                                                        | 120 mcg            | 100%  |
| Molybdenum (as Molybdenum Citrate)                                                                                                                                                                                   | 80mcg              | 107%  |
| Potassium (as Potassium Chloride)                                                                                                                                                                                    | 50 mg              | 1%    |
| Tribulus Fruit Powder                                                                                                                                                                                                | 500 mg             | **    |
| <b>Proprietary Blend</b>                                                                                                                                                                                             | 200 mg             |       |
| Citrus Bioflavonoid Peel Powder Complex, Grape Seed Extract, Green Tea Leaf Extract, Spirulina Powder, Blueberry Fruit Powder, Cranberry Fruit Powder, Wild Yam Root Powder, Papaya Fruit Powder, Carrot Root Powder |                    |       |
| Alpha Lipoic Acid                                                                                                                                                                                                    | 25 mg              | **    |
| Inositol                                                                                                                                                                                                             | 10 mg              | **    |
| Choline (as Choline Bitartrate)                                                                                                                                                                                      | 10 mg              | **    |
| Boron (as Boron Citrate)                                                                                                                                                                                             | 2 mg               | **    |
| Lycopene                                                                                                                                                                                                             | 500 mcg            | **    |
| Lutein                                                                                                                                                                                                               | 500 mcg            | **    |
| Vanadium (as Vanadyl Sulfate)                                                                                                                                                                                        | 100 mcg            | **    |

\* Daily Value (DV) not established.

Other Ingredients: Microcrystalline Cellulose, Stearic Acid, Dicalcium Phosphate, Croscarmellose Sodium, Magnesium Stearate, Silicon Dioxide, Pharmaceutical Glaze (Shellac, Polydextrose).
