## Complete Colon Care

Is formulated to help restore colon health and maintain balance in the digestive system. Improper balance is believed to be a contributor of numerous medical afflictions. Complete Colon Care addresses the root cause of problems associated to hemorrhoids, IBS, Crohn's disease, diverticulitis, and other related disorders.

By providing a natural source of bulking fiber, Complete Colon Care is highly effective in alleviating both constipation and diarrhea. Gentle enough for everyday use, Complete Colon Care offers a safe, effective, long term solution to cleanse the colon and achieve digestive regularity.

Complete Colon Care's additional ingredients help soothe the mucous membranes of the digestive tract and establish an environment in which healthy intestinal flora can aid in the digestion and absorption of vital nutrients and minerals.†
