

Enzymatic Therapy's bio-active minerals, chelated to the Krebs cycle intermediates, are better absorbed and utilized.*

These intermediates, or organic acids, are responsible for energy production within every cell of the body.*

Recommendations: One tablet daily.

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.

ETI is an FDA-registered Drug Establishment.

Contains no sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial flavoring, preservatives, or ingredients of animal origin. All colors used are from natural sources.

VEGETARIAN
