

MY GUARANTEE

My Pro JYM protein powder is made from high-quality isolated proteins designed to fuel your body and muscles and aid recovery over longer periods of time. Pro JYM's precise blend of whey protein isolate, micellar casein, milk protein isolate, and egg white protein (egg albumin) is the perfect complement to your fitness program.*

My commitment to quality and results through transparency is why the front of this package lists the amount of each protein in every scoop of Pro JYM. Whole proteins only, nothing hidden.
