

RECOMMENDATION: Dosage cup included

For best results, use at first sign of minor cough, nasal, throat, or chest irritations and continue to use for an additional 48 hours after irritations cease. **Children 1-5 years of age**, take 1 teaspoon (tsp) (5 mL) three times daily. **Children 6-12 years of age**, take 2 teaspoons (10 mL) three times daily. Not formulated for children under 1 year of age. Do not exceed recommended dose. Shake well before each use. Use only with enclosed dosage cup. **Warning:** If you are pregnant, nursing, or taking any medications, consult a healthcare professional before use. If minor cough, nasal, throat, or chest irritations last more than 7 days, stop use and consult a healthcare professional.

Keep out of reach of children. Do not use if safety seal under child-resistant cap is broken or missing. Keep tightly closed. Store at room temperature. Avoid excessive heat and direct sunlight.

ELDERBERRY AND MORE!

For centuries the dark berries of European black elder (*Sambucus nigra* L.) have been traditionally used as a winter remedy for immune support*

We took our unique elderberry extract and combined it with Vitamin C and Zinc to support healthy immune function*

A CLINICALLY PROVEN INGREDIENT

South African Geranium root extract has been the subject of over 20 clinical studies in thousands of adults and children

†Reduces the duration and severity of minor nasal, throat, and chest irritations and occasional coughs associated with hoarseness, dry throat, and irritants*

Nature's Way Sambucus® Relief can help them get back faster to school and doing the things they love
