

Good State Ionic Minerals have been known for their high bioavailability rate while others can be extremely low. Our minerals can be described as Picometer, Nanometer or Angstrom in size. *

Note - Zinc benefits and/or deficiency symptoms are generic for the mineral. No product claims are being made or implied. Research is ongoing.*

-Contains NO sugars, soy, GMO, dairy, gluten, starch, artificial flavors, colors, preservatives or animal by-products and is hypoallergenic. Suitable for vegetarians.

Directions - Take approximately 2 droppers (2mL) then swallow. Take 1-2 times daily.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
