

Suggested Use: Adults take 1 to 4 capsules with water two to three times daily. Can be increased if necessary. If constipation is present, start with a smaller amount and increase liquid intake. Children receive one half or less of the adult amount.

Warnings: If pregnant or breast-feeding, ask a health professional before use. **Keep out of reach of children.**

Tamper Evident: Use this product only if tamper evident shrink band with MPI logo has not been broken or is missing from base of cap.
