

- + superfood & adaptogenic botanical
- + traditionally used to boost energy*
- + supports female reproductive health*
- + helps alleviate symptoms associated with menopause*

Maca (commonly known as Peruvian Ginseng) is indigenous to the Andes Mountains of Peru. This time-tested botanical is revered for its many health-promoting properties.*

Youtheory® Maca Root supplies a potent form of maca that has undergone special processing to preserve nutrients and improve digestibility. This maca is more concentrated than regular maca powders and provides an array of adaptogenic benefits for the body.*

WOMEN'S maca root

nutrient-dense superfood

120 vegetarian capsules *dietary supplement*
