

# Delivering the Whole Mushroom *lifeshield*™

Each stage of a mushroom's life cycle adds critical nutrients and protection for the mushroom. LifeShield mushroom strains are allowed to grow for up to 90 days to deliver their full spectrum of remarkable compounds. The combination of life stages—mycelium, fruiting bodies, spores, and extracellular compounds—creates the activated LifeShield for your health and wellness.\*

**Suggested use:** Two capsules daily with food.  
**Not recommended for use in children.**

Certified Gluten Free by NSF; 100% vegan; no artificial flavors or colors.

**Caution:** As with any dietary supplement, you should advise your healthcare professional of the use of this product. If you are nursing, pregnant, or considering pregnancy, you should consult your healthcare professional prior to using this product. Discontinue use and contact your healthcare professional if you experience a side effect or an allergic reaction. Do not exceed suggested use. **Keep out of reach of children.**
