

- + promotes healthy gut flora*
- + does *not* require refrigeration
- + resists stomach acid breakdown
- + with prebiotics: food for beneficial bacteria*

Youtheory® Spore Probiotic is a better way to replenish your body's microflora.* This spore probiotic combination is uniquely designed to survive and thrive.* The word "spore" means "seed." And like a seed, each spore probiotic is covered by a naturally protective shell that safeguards the cell until it reaches the intestinal tract.

spore
probiotic

powder | 6 billion CFU + prebiotics

Net Wt. 3.45 oz (97 g) dietary supplement
