

HERBAL. HOLISTIC. HEALTH.™

Supercritical Omega-7 delivers plant-sourced Palmitoleic acid, an Omega-7 fatty acid recognized as one of Nature's "good fats." A superfood botanical that's a staple of traditional herbal systems, Sea Buckthorn is also being researched for its many benefits. The full spectrum of beneficial compounds found in Sea Buckthorn is delivered using a supercritical extraction, whole-food approach to herbal supplementation. The herbs in this blend, including Calendula and Rosemary, have been carefully selected for their complementary properties. Our sustainably sourced, 100% vegetarian capsules keep the herbs pure & potent and dissolve quickly so the herbs are rapidly available for absorption.
