Immune Support System™ provides a wealth of beta-glucans and other immune supporting polysaccharides from mushrooms, aloe vera, laminaria japonica and colostrum. It also provides super foods like spirulina, oat grass and barley grass, and legendary immune supporting herbs like astragalus, codonopsis and gynostemma. Together, these ingredients create a remarkable synergy that supports short term immune response while also helping build the energy you need for long term health.*

Suggested Use: Two tablets once daily, with a meal.

Storage: Keep closed in a cool, dry place.

Caution: Keep all supplements out of children's reach.

Does NOT Contain: wheat, tree nuts, peanuts, soy, eggs, fish, shellfish
