

Ostivone bone formula features ipriflavone, which has been shown in more than 60 studies to support bone mineral density.*

Ostivone is best when used in conjunction with multi-nutrient bone support products with extra calcium such as Enzymatic Therapy's Osteoprime®.*

Ostivone® is a registered trademark of Technical Sourcing International, Inc.

Recommendations: One capsule three times daily with meals.

ETI is an FDA-registered Drug Establishment.
