Collagen is a protein responsible for keeping the skin's structure and strength intact—but over time the body's natural collagen levels deplete, revealing unwanted signs of aging. Joyōme's Multi-Action Collagen Complex works in 3 powerful ways to reduce fine lines and wrinkles, increase elasticity, and reveal hydrated, smooth skin.*

Joyōme's Multi-Action Approach

- Supports the skin structure with 5 g of collagen protein per serving*
- Helps stimulate natural collagen production*
- Helps protect structural skin proteins, reducing collagen breakdown*

No artificial colors, sweeteners, flavors, or preservatives. Dairy Free. Gluten Free.**

**The wheat has been processed to allow this Dietary Supplement to meet the Food and Drug Administration (FDA) requirements for gluten free.

^o7 grams per 2 scoops is an average. Individual scooping technique may yield slightly more or slightly less than 7 grams. This product is filled by weight, not volume. Some settling of the contents may occur during transit and cannot be avoided.
