*Daily Value not established.

Other Ingredients: Xylitol, Cellulose, Natural Flavors, Sorbitol, Sucrose, Fructooligosaccharides FOS Blend, Stearic Acid and Magnesium Stearate.

Discussion: Vitamin D-Rex™ chewables are a fun way for children to receive the Vitamin D needed in their daily diets, especially during cloudy months. Sometimes referred to as the "sunshine" vitamin, it is produced naturally in the skin when exposed to the sun and is an essential nutrient needed to provide nutritive support for skeletal growth and strong bones.
