Discussion: KAL® Super Silica Plus™ is a high-dose combination formula of clinically studied ingredients intended to provide nutritive support for healthy hair, nails and skin. Fortified with Horsetail (a natural form of silica), Colloidal Hydrophilic Silica, MSM and Biotin, Super Silica Plus™ is an essential addition to an already healthy diet.

KAL Guarantees that NO ingredients other than those listed on this label have been added to this product.

Clinical Lifestyles™ formulas are based on the observation and research of healthcare practitioners and scientists.

ActivTab™ technology guarantees tablet disintegration within 30 minutes according to USP standards.

Bioperine® is a registered trademark of Sabinsa Corp.
