Supplement Facts Serving Size 1 Tablet

	Amount Per Serving	% Daily Value
Quercetin	1,000 mg	*

*Daily Value not established.

Other Ingredients: Cellulose, Stearic Acid and Silica.

Discussion: Quercetin is a non-citrus bioflavonoid. Bioflavonoids are intended to provide antioxidant activity and nutritive support to help maintain normal capillary permeability. The human body cannot manufacture bioflavonoids and therefore must receive its supply through supplementation or diet.

ActivTab™ technology guarantees tablet disintegration within 30 minutes according to USP standards.
