**DIRECTIONS:** Place powder in a glass or mug: add 2-3 oz of hot water. Let it fizz. then stir until dissolved. Fill with warm or cold water and enjoy. You can also simply add Natural Calm to a glass or bottle of cold water. Use only as directed.

SERVING SIZE: Individual needs may vary. Start with one half teaspoon (1 g) daily and gradually increase to 2 slightly rounded teaspoons (4.5 g) as needed.

FOR BEST RESULTS, divide your daily amount of Natural Calm into two servings. Natural Calm can be taken with or without food. When bowels are comfortably loose, this is the optimal amount.

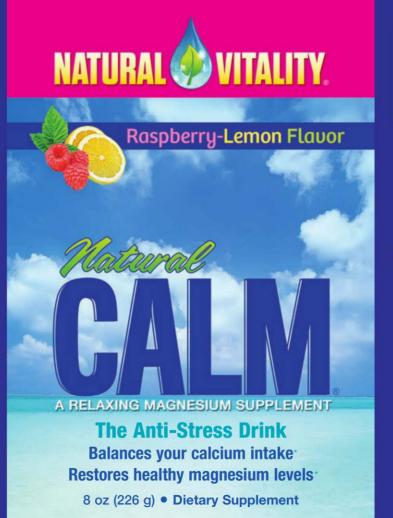

ADVANCED USE: 3 rounded teaspoons (7 g), which provides 500 mg or 125% of daily value.

For children under 4, for pregnant or lactating women, or if you have kidney problems or are currently on medication. consult with your doctor.

If you are taking supplemental calcium for bone health, try Osteo Calm, our liquid calcium-magnesium formula.

Multi award-winning Natural Calm is the best-selling magnesium supplement in the natural products market.
