

The power of Saventaro®

Saventaro® max-strength cat's claw is patented, clinically studied, and provides advanced support to both the natural and acquired immune systems.* The only cat's claw that's 200% more potent than cat's claw products derived from the bark.

Protected by U.S. patents 5,302,611; 5,723,625; and 7,238,374. Additional patents pending.

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.

ETI is an FDA-registered Drug Establishment.

Contains no sugar, salt, yeast, wheat, gluten, corn, soy, dairy products, artificial coloring, artificial flavoring, preservatives, or ingredients of animal origin. This product contains natural ingredients; color variations are normal.
