Research shows that **Silybin Advanced™** from Milk Thistle liver cleansing formula* is up to 7 times more absorbable than competitive products! Our proprietary process dramatically improves absorption. With this enhanced delivery, more of the key compounds get where they're needed most–to the cells in your body.*

Recommendations: One capsule once or twice daily.

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.

ETI is an FDA-registered Drug Establishment.
