WHY CLEANSE?

When people realize how much toxins are a part of everyday life, they want to do something. That's when it's time to turn to Simple Cleanse.* Over the years unwanted materials can build up in your system.

These materials come from environmental toxins, unhealthy waste substances and improper eating habits. Simple Cleanse was specially designed for the intestinal system, to gently cleanse and reformat the digestive tract.* That's the **POWER** of cleansing!

Simple Fiber Power!

Fiber has the key role of safely absorbing and eliminating toxins in the cleansing process.* Fiber binds to toxins and carries them out of the body.* Without this important part of the process, toxins can go right back into the blood stream.* That's why Simple Cleanse has fiber as an important part of this cleansing kit!

Simple Cleanse has unique fiber...

- That dissolves completely.
- Has more mucilage content than flax fiber to cleanse more toxins.*
- Prevents fiber from turning into semi-solid slugs that don't dissolve in the digestive tract.

Get the full benefit of Simple Body Cleanse* unique fiber!

This kit has everything you need for a 2-week intestinal cleanse, including a Simple Cleanse Guide.

Manufactured exclusively by Enzymatic Therapy, Inc., Green Bay, WI 54311 USA

Warnings: Consult a healthcare practitioner if a sudden change in bowel habits occurs and persists for two weeks, or if taking prescription drugs, have gallstones or bile duct obstruction. Rectal bleeding or failure to have a bowel movement after use of a laxative may indicate a serious condition; discontinue use and consult a healthcare practitioner. Do not use if pregnant or nursing. Unless directed by a healthcare practitioner, do not use laxative products when abdominal pain, nausea, or vomiting is present, or if you have kidney disease. Do not take more than three tablets in a 24-hour period or use the maximum dosage for more than two weeks.

Recommendations: Day 1 through 7: three tablets at bedtime with 8 ounces of water. Day 8 through 14: two tablets at bedtime with 8 ounces of water. Reduce dosage if you experience abdominal discomfort or diarrhea. If discomfort persists, discontinue use.

Laxative Formula contains no sugar, yeast, wheat, gluten, corn, dairy products, artificial coloring, artificial flavoring, preservatives, or ingredients of animal origin. Laxative Formula contains natural ingredients; color variations are normal.
