Fill Line[¶]

[¶]Minimum fill line after settling. This product is sold by weight, not volume. The density of the powder varies, and significant settling of powder may occur during shipping and handling. This product contains the servings indicated when measured by weight.

Recommended Use: As a dietary supplement, mix each serving in 10-14 fl. oz. of water (adjust for taste preference) and shake well. On training days, consume 1 serving during exercise and 1 serving after exercise. On non-training days, consume 2 servings throughout the day. For best results, use 2 servings per day.

^When used as directed

[#]Based upon cumulative global sales of all XTEND[®] branded BCAA products from 2004 to present.

Made in the U.S.A. using strategically sourced domestic and imported ingredients and components.
