#stayvital®

WHY VITALITY™ IMMUNE BOOSTER™?

5g Collagen Peptides

Contains key amino acids which help regulate immune response**

2g L-Glutamine

Supports glutathione synthesis, the body's master antioxidant**

1000mg Vitamin C

Essential in supporting a healthy immune system and helps boost the production of collagen**

200% DV Zinc

Crucial to the immune system and helps support antioxidant protection**

Electrolytes for Hydration

Boosts hydration to support the immune system**

Vitamins B3, B6, B12, & D

Play a major role in making sure the body's cells, including immune cells, function properly**

250mg Wellmune®

A beta glucan that is absorbed in the body by immune cells and helps improve general immune health without overstimulating the immune system**

50mg Immune-LP28®

Enhances immune function by sparking the production of cells directly involved in the immune defense in the small intestines**

500mg L-Arginine

Amino acid that helps support a healthy immune system**
