

One capsule of Lycopom® equals the essential antioxidative constituents of 100gm of tomatoes and over 13 pomegranates.†

New Chapter® delivers lycopene as part of a symphony of nutrients responsible for lycopene's benefit in nature. **New Chapter's** lycopene comes from a blend of supercritically extracted lycopene-rich herbals and a proprietary tomato extract free of ethyl-acetate. **Lycopom** also delivers a powerful whole pomegranate concentrate with the highest source of naturally occurring punicalagins, equal to the essential constituents of over 13 pomegranates.
