

BiotaGen™ is a prebiotic supplement that promotes growth of colonic populations of healthful bacteria and enhances gastrointestinal and systemic immune function. Chicory inulin and oligofructose, highly effective prebiotics, are combined with the immunomodulating polysaccharides larch arabinogalactan and purified yeast beta-glucan. BiotaGen™ provides support for intestinal *Bifidobacterium*, *Lactobacillus*, and *Eubacterium* populations while helping to optimize gastrointestinal and immune function.†

†This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Do not use if full-bottle shrinkwrap is broken or missing. Store in a cool, dry place (59°F-85°F) away from direct light. KEEP OUT OF REACH OF CHILDREN.

This product was made in a GMP and ISO 9001:2000 registered facility.
