Zinc Monomethionine
with
Vitamin B-6

60 VegCaps

WARNING: Do not use if safety seal is broken or missing. Keep out of reach of children. Keep your licensed health care practitioner informed when using this product.

Directions: Use only as directed. Take one VegCap daily with a meal or glass of water. Store in a cool, dry place.

Supplement Facts Serving Size 1 VegCap

	Amount Per Serving	% Daily Value
Vitamin B-6 (Pyridoxine HCl)	20 mg	1,000%
Zinc (as Zinc Monomethionine [OptiZinc®])	30 mg	200%

Other Ingredients: Whole Rice Concentrate (including Kernel, Polishings, and Hull), Vegetable Cellulose Capsule, Croscarmellose Sodium, Kelp and Magnesium Stearate.

Discussion: Zinc helps support healthy immune and endocrine systems as well as skin and cellular function. OptiZinc® is a patented 1:1 Complex of zinc and methionine, an amino acid that is best absorbed by the body. Studies suggest that OptiZinc® is absorbed better and retained longer than ordinary zinc supplements tested, and resists binding with dietary fiber and phytate, organic compounds that inhibit zinc absorption.

OptiZinc® is a registered trademark of InterHealth N.I.
