

Your liver is responsible for virtually all internal detoxification. **Super Milk Thistle®** liver cleansing formula not only enhances this process through its positive effects on bile flow, it helps strengthen the liver at a cellular level so it functions at its best when you need it most.*

The proprietary technology, which combines one part standardized milk thistle extract with two parts phosphatidylcholine, dramatically improves absorption.*

The ingredients in this formula comply with the safety and efficacy standards set forth by the German Commission E, which is the worldwide recognized authority for effective herbal remedies.

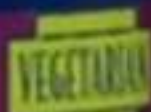

Same great product with more artichoke for even higher levels of liver support.*

Recommendations: One capsule two or three times daily.

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.
