Supplement Facts

Serving Size 1 VegCap

Amount Per Serving	% Daily Value
--------------------	---------------

Arabinogalactan (<i>Larix spp.</i>) (larch tree extract) (Guaranteed to contain 255 mg [85%] Arabinogalactan)	300 mg
---	--------

*Daily Value not established.

Other Ingredients: Vegetable Cellulose Capsule, Cassava Flour, Organic Rice Extract Blend and Silica.

Discussion: Arabinogalactan is a water-soluble polysaccharide derived from the sap, or gum, of the larch tree. Research suggests that Arabinogalactan, a prebiotic fiber, may support healthy microflora balance of the GI tract by helping to promote growth of probiotic bacteria in the intestines. Clinical studies also suggest that Arabinogalactan may help support healthy immune system function.
