

Free of the following common allergens: milk/casein, eggs, fish, shellfish, tree nuts, peanuts, wheat/gluten, corn, and soybeans. No refined sugar, magnesium stearate, maltodextrin, artificial sweeteners, colors, flavors, salicylates, or preservatives. All ingredients are of the highest quality and purity available. Formulated for the most sensitive individual.

Suggested Use: As a dietary supplement, take 1 to 2 scoops daily or as directed by a physician. Mix powder in cold, warm, or hot foods or beverages as desired.

Galactomune™ is a prebiotic supplement that helps increase healthful intestinal microflora populations and enhances natural resistance by supporting Th1 immune function. Together, naturally-derived galactooligosaccharides and purified yeast beta-glucan augment body defenses, mitigate adverse immune responses, and support adaptive immune function. Galactomune™ is a good choice for people of all ages.†

†This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Do not use if full-bottle shrinkwrap is broken or missing. Store in a cool, dry place (59°F-85°F) away from direct light. KEEP OUT OF REACH OF CHILDREN.

This product was made in a GMP and ISO 9001:2000 registered facility.
