Discussion: Bone Defense™ is an Advanced Hydroxyapatite Calcium formula fortified with Ipriflavone, Vitamin D-3 and K2. These ingredients have been studied extensively for their role in bone health and, when taken as part of a Calcium enriched diet, are intended to provide nutritive support for healthy bone density.

Clinical Lifestyles™ formulas are based on the observation and research of healthcare practitioners and scientists.

Bioperine® is a registered trademark of Sabinisa Corp.
